The office of the GOLDSBORO STAR is on East Centre Street, over the Furniture store of Messrs. Fuchtler & Kern.

The colored State Sabbath School Convention is one of the most influential christian assemblages in North Carolina,

-We have prepared a full history of a recent raid made on an illicit moonslaner in Lenoir county, by our worthy townsman, Hugh F. Humphrey; which will appear in our next.

-Remember that H. M. Strouse has the largest stock of dry goods in Goldsboro, (except H. Weil & Bros.); you would also do well to call on Mr. C. G. Perkins, who has a fine assortment of dry goods.

-We have received the first number of the Oxford Monthly which supersedes the Orphan's Friend. It is filled with rare original matter from the pen Mrs. Mary Bayard Clarke and the ditor-in-chief.

THE INFELIOR COURT .- This trinal convened in this city on Monpen drawn was charged at length by recently elected chairman, Col. W. netical and the subjects judiciously

Te regard the selection of Col. Alfor the post which he occupies, as Atunate for the efficiency and popubrity of the court, as he is learned, experienced, patient and fair, and this court will hereafter receive more of the confidence of the people, be more regarded as a tribunal of Justice than heretofo e. We do not approve of the law under which the court is organized; we think it unjust and unwise in many particulars; and we know that many citizens regard it as a nuisance, but many of these defects are mitigated when the court is conducted by one who knows the right and not only approves it, but follows it as his guiding Star.

The court was well represented by gentlemen of the legal persuasion. We only noticed Mr. Oliver H. Allen of Duplin, visiting lawyer. The resident members of the Bar in attendance are Messrs, Dortch & Son, Allen & Isler, firainger & Bryan, Clarke & Son, Strong & Smedes, J. E. Robinson, W. S. O'B. Robinson, Ed. J. Hill, Aycock & Daniels, and Geo. T. Wassom. The court adjourned on Friday, after disposing of 107 cases. Those sentenced to the Penitentiary are all colared and convicted of larceny. Their terms are ! Jno. Smith, 2 years; Lucien Lane, 1 year; Wm. Green, I year; Anthony Ellis, 3 years; Richard Vann, 2 years; Ransom Slocumb, 1 year.

A PARIS HIPPODROME COMING, OCTOBER 12TH.

Coup Thoroughly Endorsed-His Show the World.

Although frequently announced, no real and genuine hippodrome such as that connected with W. C. Coup's United Monsti Shows has ever appeared in the South.

Our raders may rest assured that what Mr. Cour promises will be fulfilled to the letter on the 12th day of October, \as annonnced in we advertisements. He is a gentleman in thom our readers may put the most in palt confidence.

Since his www visited the South last

season he has increased it to enormous proportions. One of the most grand, novel and exciting features added being a magnificent Paris hippodrome, with a circus rings, forty feet wide and nearly a half mile round, employing over two hundred artists and a tribe of Indians. Coup has a grand menageric besides, and uses nine bands of music. His museum is also splendid, requiring a dozen engines to operate the different features.

Both in the three circuses and hippodrome, many of the acts are entirely new. and are the theme of universal admiration and praise by the public and the press, Among these are the Indians, the Zulus, the flying Lu Lu, the dashing Geraldine, etc., whose wonderful feats and performances have no parallel in the annals of the stage or ring. As an evidence of the estimation in which Coup's show is held by the press, we give the following brief ex-

"W. C. Coup's mammoth four-ring circus, menagerie and Paris hippodrome, arrived in this city yesterday on three immense trains, to each of which were attached two locomotives, the combined length of the the several trains was nearly a full mile. * * Perfectly immense does not express it."-Louisville Conrier-Journal, May 30, 1881.

"Taken together, W. C. Coup's show is the biggest and grandest that ever visited Chicago.

To say that the circus is largest over seen does not convey half an idea-it completely dwarfs all preceding shows." Chicago Tribone, June 22, 1881.
